Experience

Department Head
Researcher Support Services – University of Colorado Denver, Auraria Library 2015 - present

- Administers department and leads team of librarians responsible for implementing researcher and scholarly services
- Develops digital scholarship services and programs
- Coordinates outreach and events related to researcher support services
- Liaises with campus faculty development centers and other external partners to create programming and services to support researchers
- Leads the planning committee for the annual National Data Integrity Conference

Data Management Librarian, Assistant Professor - Colorado State University 2013 – 2015

- Diagnosed and solved complex data management issues university-wide
- Data management consultations for state and national institutions and agencies
- Trained faculty, students and principle investigators on proper data management
- Led the formation of the 2015 National Data Integrity Conference
- Planed and led the formation of Open Access Week events

Data Curator - Dryad Digital Repository   2012 - 2013

- Curated, corrected, redacted and published data and metadata
- Increased the efficiency of data curation workflow
- Ensured metadata complied with national standards such as Dublin Core, OAI-PMH

Education

University of North Carolina at Chapel Hill
Masters of Library Science – 2013

University of Colorado Denver
Bachelor of Arts - 2011
